

Tax Administration
P.O. Box 700
00052 VERO

Use this form to apply for a tax card and/or tax prepayment if you are a resident taxpayer, business operator, self-employed person, an operator of agriculture or forestry, or a shareholder in a partnership. All income and deductions for the year must be reported in the form, even if the application only concerns tax prepayment. A tax card or tax prepayment decision issued earlier will remain valid until you receive the new decision. Tax prepayments must be paid on the due dates, even after submitting an application for a change to prepayments. After the end of the tax year, you can use this form to request prepayment or additional prepayment.

Individuals who live abroad permanently or stay in Finland for no more than six months should use form 5057e to apply for a non-resident taxpayer's tax at source card, tax card or tax prepayment.

Individuals who live abroad permanently or stay in Finland for no more than six months should use forms 5057e and 6148e to apply for progressive taxation of income.

Individuals who currently live or have previously lived abroad and stay in Finland for more than six months should use form 5042e to apply for a non-resident taxpayer's tax at source card, tax card or tax prepayment.

Individuals who are moving from Finland to live abroad, or who already live abroad, should use form 6207a to apply for a non-resident taxpayer's tax at source card, tax card or tax prepayment.

17 Prepayment imposed or raised after the end of the tax year (additional prepayment)

You can ask the Tax Administration to determine an additional prepayment that will fall due after the tax year has ended. The additional prepayment does not have to be based on your income subject to prepayments. The application can be submitted after the end of the tax year, up to the date of completion of the tax assessment process. Select the grounds for the additional prepayment from the options below.
